

TAGALONG TOUR

'FLY IN - FLY' OUT ALICE SPRINGS OPTION

For those interested in participating in the Classic Outback Trial Tagalong Tour but do not wish to drive to and from Alice Springs - perhaps for time restraint purposes - a 'Fly In - Fly Out' option is available.

Details are:

AIR FLIGHTS

Air flights into and out of Alice Springs by both Qantas and Virgin Airlines are readily available on each day of the week.

AIRPORT TRANSFERS

These can be arranged by Classic Outback Trial.

4WD VEHICLE HIRE

A 4WD vehicle can be hired from Central Car Rentals in Alice Springs for any number of days.

Hire Cost

\$188 per day unlimited kilometres

- The hire charge is for any 24 hour period and all drivers must be over 25 years of age. Hire terms allow the vehicle to be taken on off-road tracks/dirt roads;
- there are no hidden fees, taxes or charges.

Insurance

- 4WD Standard - excess is \$5000, with a bond of \$1200 payable upon taking delivery of vehicle;
- 4WD Reduced - excess is \$1000, with a bond of \$400 payable upon taking delivery of vehicle; this option includes a charge of \$25 per day.

These insurance options cover multiple vehicle accidents, but not single vehicle accidents such as backing into a tree or hitting an animal, and for this reason driving at night on the open highway is not permitted.

CAMPING PACKAGE

The Camping Package includes a swag (Australian bush bed) and sleeping bag (for use inside the swag) and is \$20 per vehicle.
